Why You Need To Join the Bass Lake Association

Your annual membership of \$50 allows us to offer many services to you. However, when membership weakens, the services offered can suffer. Please make sure that you join and encourage your neighbours too. We need everyone's help!

www.basslakeweb.com We actively maintain a website for our membership to keep you updated and informed. Please visit the website and let us know what you think.

Water Quality. The Association monitors the quality of the lake. We are currently testing six sites this year. You can visit our website to see our test sites and download our quality report.

Annual Newsletter. The Association hand delivers the annual newsletter to your cottage.

Events. Please visit our website to see the scheduled events that we have planned for you. Everyone is welcome to participate. We will be running the non-motorized Poker Run, Bass Lake Garage Sale, Parade of Lights, and the Dark Sky Night.

Beaver Management. The beavers can jeopardize the quality of the lake. The Association Manages the beaver issue with an annual budget to prevent any issues.
